- Applicants whose names have been already published in the Call Lists 1, 2, 3, 4 & 5 are **not eligible** to register under Wish-List.
- Applicants who have **already secured admission to a course** in this college **need not register** under Wish-List for admission to the same course again. **However, the applicant can register in other courses provided, she is a valid applicant for the same, and her name has not been published in the previous Call Lists.**
- **Wish-List registration will be considered valid only if the applicant is enlisted in the Revised Merit List published on 31.08.2021.**
- A candidate, who has not applied for a subject/course during online application, cannot register her name for that subject/course under the Wish- List.

Clicking on the link will populate the list of subjects she has applied to. The applicant needs to select whether she is willing / not willing to be considered for any particular subject. - A **new Merit List** will be prepared on the basis of applicants enlisted under “Wish-List” which will be published on the portal. (Please see Admission Schedule 2 for details of dates and time.)
- **Registering names in the “Wish-List” does not ensure admission. However, if an applicant fails to register her willingness in the “Wish-List” her candidature will be invalidated.** The college will not entertain any claim to admission later by unregistered applicants.
- Admission will be conducted on the **basis of merit and available vacancies** in a particular UG course.
- **Only names of applicants registered under the “Wish-List” will be considered for admission in the later rounds (i.e., from 6th round onwards).**
- After the Wish-List comes into force, all Call Lists will be prepared from the new Merit List which will reflect only those applicants who have registered under Wish-List. Hence the Revised Merit List (published on 31.08.2021) will be considered invalid.

Please follow the admission portal regularly for notices and updates.
